Let's see what happens.

Just in case, can you give me a couple of alternatives that might work, either first thing in the am or over lunch ? Thursday is bad for me but otherwise I should be able to make it work.

Ben,

If it snows overnight as predicted, I will touch bases with you in the early AM to determine whether you want to proceed with the 9 am meeting or reschedule for later in the week.

Personally, I would be against trying set up a conference call meeting in the morning. Too much confusion, no way to get handouts to people, etc. just not very workable.

Hopefully, we can proceed in the morning with the meeting.
